

# Exciting Career Opportunity with one of Ireland's leading Food Companies

Irish Country Meats is Ireland's leading specialist lamb processor with state of the art manufacturing facilities in: Camolin, Co. Wexford; Navan, Co. Meath; and Liège, Belgium.

The company has established market positions in Ireland, U.K. and mainland Europe servicing retail, foodservice, wholesale and manufacturing customers within our market range.

A talented and committed workforce at Irish Country Meats is crucial to our ongoing success. To facilitate the continuing growth and development of our business, we are currently recruiting for the following position based at our Navan, Co. Meath facility

## Health & Safety Assistant

- Ensuring that all Safety Policies and procedures are implemented throughout the plant
- A general working knowledge of Health and Safety legislation.
- Ensuring the Safety of personnel, such as safe working practices, equipment and Safety training.
- Assisting the Health & Safety Officer to carry out risk assessments, assessing workplace hazards, considering how risks could be reduced, formulating preventative measures including safe working procedures/safe systems of work and monitoring conformance.
- Carrying out regular site inspections to check policies and procedures are being properly implemented;
- Making changes to working practices that are safe and comply with legislation;
- Assist with in-house training with managers and employees about health and safety issues and risks; and maintaining records of same.
- Organising and controlling regular random safety inspection audits of all areas, recording the results, producing reports that suggest improvements; and submitting them to H&S officer.
- Investigating and recording any incident, accident or dangerous occurrences
- Ensuring emergency response procedures are maintained and updated as required.

## Candidate Profile

- An observant and analytical personality
- The drive & determination to push projects through, responsible for keeping up to date with new legislation and maintain a working knowledge of all Health and Safety legislation and any developments that affect our industry.

**The Sheepmeat Specialists**
